- 2-111. NOISY ANIMALS. The keeping or harboring of any animal which by loud, frequent and habitual barking, howling, yelping, mewing, roaring or screeching shall disturb the peace of any neighborhood is hereby prohibited. (Code 2014)
- 2-112. ANIMAL CONFINES; SHELTERS. (a) It shall be unlawful for any person to keep or maintain any animal in any yard, structure or area that is not clean, dry and sanitary, free from debris and offensive odors that annoy any neighbor, and devoid of rodents and vermin.

  - (e) All premises on which animals are kept shall be subject to inspection by a duly authorized law enforcement officer or public health official. If the officer or official determines from such inspection that the premises are not being maintained in a clean and sanitary manner, he or she shall notify the owner of the animals in writing to correct the sanitation deficiencies within 24 hours after notice is served on

the owner. Any animal kept under any condition which could endanger the public or animal health or create a health nuisance may be impounded. Animals shall be released after fees are paid and cause for impoundment has been corrected. (Code 2014)

2-113. DEATH OF ANIMALS. All dead animals shall be disposed of by the owner or keepers within 24 hours of the animal's death, by burial, incineration in a facility approved by the law enforcement officer, by rendering or by other lawful means approved by the law enforcement officer. No dead animal shall be dumped on any public or private property. (Code 2014)

2-114. VICIOUS ANIMALS. (a) Prohibited: It shall be unlawful for any person to keep, possess or harbor a vicious animal within the city. Impoundment of animals whose owners have been cited for violation of this section shall be at the discretion of the animal control officer. If the animal presents a clear and present danger to the public health or safety, it shall be the duty of the police department or his or her agent to impound such animal.

(b) Defined: For purposes of this chapter a vicious animal shall include:

(1) Any animal with a known propensity, tendency or disposition to attack unprovoked, to cause injury or to otherwise endanger the safety of human beings or domestic animals; or

(2) Any animal which attacks a human being or domestic animal without provocation;

(3) Any animal owned or harbored primarily or in part for the purpose of fighting or any animal trained for fighting;

(4) Any animal which is urged by its owner or harborer to attack, or whose owner or harborer threatens to provoke such animal to attack, any law enforcement officer while such officer is engaged in the performance of official duty.

(c) Complaint: Whenever a sworn complaint is filed in the municipal court against the owner of an animal alleging that such animal is vicious and in violation of this section, the municipal judge shall hold a hearing to determine whether or not the animal is vicious within the meaning of this section and thereby in violation of this section. The owner of the animal shall be notified in writing of the time and place of the hearing at least one week prior to the hearing. In making a determination, the municipal judge shall consider the following:

(1) The seriousness of the attack or bite;

(2) Past history of attacks or bites;

(3) Likelihood of attacks or bites in the future;

(4) The condition and circumstances under which the animal is kept or confined;

(5) Other factors which may reasonably relate to the determination of whether or not the animal is vicious.

The municipal judge shall order the impoundment, the muzzling in accordance with subsection (d) and/or the confinement of the animal accused of being in violation of this section in a manner and location that will insure that it is no threat to persons or other animals pending the outcome of the hearing. If such impoundment, muzzling or otherwise safe confinement is not possible or, if prior court orders to restrain such animal have gone unheeded, the municipal judge may order the animal immediately destroyed.

(d) Vicious Dogs to be Muzzled: It shall be the duty of every owner, keeper or harbinger of any dog in the city, which dog is vicious or has been known to bite,

chase, or run after any person or animal in the streets, alleys, or any public place in the city, to keep the same muzzled with a good and sufficient wire or leather muzzle, securely fastened so as to wholly prevent such dog from biting any animal or person until such time as a determination has been made by the court as to whether the dog is vicious or not. Any person owning, keeping or harboring any dog within the city limits contrary to this section shall be guilty of a violation of this code.

(e) Immediate Destruction: Nothing in this chapter shall be construed to prevent the law enforcement officer from taking whatever action is reasonably necessary to protect himself or herself or members of the public from injury or danger, including immediate destruction of any vicious animal without notice to the owner.

(f) Release of: If a complaint has been filed in the municipal court against the owner of an impounded animal for a charge under this section, the animal shall not be released except on the order of the municipal judge, who may also direct the owner to pay all impounding fees in addition to any penalties for violation of this chapter. The municipal judge may, upon making a finding that an animal is vicious or that it represents a clear and present danger to the citizens or to other animals in the community, order the animal to be destroyed in a humane manner by the animal shelter. Surrender of an animal by the owner thereof to the law enforcement officer does not relieve or render the owner immune from the decision of the court, nor to the fees and fines which may result from a violation of this section.

(Code 2014)

2-115. **RUNNING AT LARGE.** It shall be unlawful for any person to willfully allow any animal or fowl under his or her control to be or to run at large within the city. Any animal or fowl found at large shall be impounded as provided in section 2-116 or 2-118 (dogs). (Code 2014)

2-116. **IMPOUNDMENT; FEE; NOTICE; RECORD.** (a) The law enforcement officer shall impound any animal found at large in the city or constituting a nuisance or otherwise in violation of this chapter in the municipal pet clinic or enclosure provided or contracted for by the city. The impounding officer shall make diligent inquiry as to the owner of the animal and shall notify the owner thereof of such impoundment as soon as reasonably possible.

(b) The city shall be entitled to receive from such owner an impoundment fee of \$45 and a dog collection fee of \$25.

(c) In case the identity of the owner of the impounded animal cannot be ascertained, the police officer shall, upon taking any such animal into custody and impounding the same, make a record thereof, with a description of the animal and the date and place taken into custody and the place of impounding. Such information shall be made available at the Carbondale Police department.

(d) The police department shall each month submit a report to the city council showing the number of animals impounded and disposed of, and the fees collected pursuant to this article and shall pay those fees to the city clerk for credit to the general operating fund.

(Code 2014)

2-117. REDEMPTION OF IMPOUNDED ANIMALS. At any time before the sale or destruction of any animal impounded under the provisions of this article, except for animals impounded under sections 2-114 (vicious) and 2-118 (rabid), the owner thereof may redeem the animal by paying the police department or any person in charge, the impounding fee and all costs incurred as a result of such impoundment. (Code 2014)

2-118. IMPOUNDMENT OF RABIES SUSPECTS. (a) Any law enforcement officer or veterinarian may take up, upon private or public property, any animal which has bitten or scratched a person or other animal and impound the animal in the city pet clinic, securely penned and separated from other animals, or in a veterinary hospital or animal care facility for a period of not more than 30 days during which time a veterinarian shall determine whether or not such animal is suffering from a disease and, if not, the law enforcement officer or veterinarian shall authorize the release of the animal upon payment by the owner of the boarding fee therefore. A law enforcement officer or veterinarian may authorize the keeping of any such animal on the owner's premises if the owner produces a rabies vaccination certificate showing that the animal has valid rabies vaccination protection. Impoundment costs shall be borne by the owner. If in the opinion of the local law enforcement officer or veterinarian symptoms develop justifying a microscopic examination, then the animal shall be killed and examination made by the state board of health.

(b) In lieu of the provisions of subsection (a), the owner of any such animal may, at his or her own expense, take such animal to any duly qualified and licensed veterinarian in the city for observation. Such veterinarian shall report his or her findings in writing to the local law enforcement officer or veterinarian. If in the opinion of such veterinarian a microscopic examination is justified, then the animal shall be turned over to any law enforcement officer to be killed and examination made by the state board of health.

(c) Any animal desired for observation by the veterinarian under this section shall be delivered to the law enforcement officer upon demand and shall not be withheld, hidden or harbored. Any person violating this provision shall be guilty of a violation of this code. Upon refusal of any person to so deliver such animal, the municipal judge shall cause a warrant to be issued for the arrest of such person, which warrant shall also provide for the surrender of the animal and shall be lawful authority for the apprehending and forcible taking of such animal. (Code 2014)

2-119. ANIMALS BITTEN BY RABID ANIMALS. Whenever a dog, cat or other animal is bitten by a rabid animal or an animal later proved to have been rabid, it shall be the duty of the owner of the animal that is bitten, to report that fact to the police department. It shall also be the duty of the owner of the bitten animal to either destroy or have his or her bitten animal destroyed unless:

(a) The animal which was bitten had been vaccinated against rabies at least three weeks before being bitten and has a current vaccination; and

(b) If the bitten animal has a current vaccination, it shall be confined for 90 days; and

(c) The bitten animal shall be released from confinement only upon written order from the local veterinarian, who declares the animal to be free of rabies; and

(d) If the animal is found to have contracted rabies during confinement, it shall be properly disposed of.

(Code 2014)

2-120. VEHICULAR ACCIDENTS INVOLVING ANIMALS. Any person who as the operator of a motor vehicle strikes any animal shall stop at once and shall immediately report such injury or death to the owner of such animal, or in the event that the owner cannot be ascertained, and located, the operator shall at once report the accident to any law enforcement officer.  
(Code 2014)

2-121. EMERGENCY; PROCLAMATION. The mayor is hereby authorized whenever in his or her opinion the danger to the public safety from rabid animals is made imminent to issue a proclamation ordering all persons owning any animal in the city to confine the animal in a good and sufficient enclosure from which the animal cannot escape, or fasten such animal by means of a chain on the premises where the owner may reside, for such time as may be specified in such proclamation. Any animal not confined during such time may be disposed of wherever found by any officer of the city. The owner of such animal shall be prosecuted for such violation thereof. (Code 2014)

When any tag has become lost during a registration period, the owner of the dog may request a duplicate tag for the remainder of the registration period. When so requested, the city clerk shall, upon presentation of the registration certificate, issue a duplicate of such tag upon the payment of \$1.00 fee. It shall be unlawful for any person to take off or remove the city registration tag from any dog belonging to another, or remove the strap or collar on which the same is fastened.  
(Code 2014)

During such time of custody, the city shall attempt to notify the owner or custodian of any dog impounded by such facility if the owner or custodian is known or reasonably ascertainable. Such dog may at any time be released to the legal owner, moved to a veterinary hospital for treatment or observation, released in any manner, if such dog was a gift to the animal shelter, or euthanized by a licensed veterinarian if it appears to the veterinarian that the dog is diseased or disabled beyond recovery. If within three full business days the owner does not appear to claim the dog, then the dog may be sold, euthanized or otherwise disposed of.  
(c) If at any time before the sale or destruction of any dog impounded under the provisions of this article, the owner of an impounded dog does appear and redeem the dog, it shall be turned over to the person claiming it upon payment of any impoundment fees or penalties plus the actual costs of impoundment, and shall not apply to any dog alleged as being vicious under section 2-114 or suspected of rabies under section 2-118 of this code.  
(d) The minimum impoundment fee shall be \$45 plus a collection fee of \$25.  
(e) Any dog impounded may not be released without a current rabies vaccination.  
(f) Impoundment hereunder shall not preclude any court from imposing and executing any fine which might otherwise be levied under this article for violation of any of the provisions thereof; nor shall impoundment be a defense in any prosecution commenced hereunder.

If such person does not reclaim the deposit within six months after receiving custody of the dog, the city shall keep the deposit and may reclaim the unspayed or unneutered dog.
